Directions to Ocean View Cottage

The address is:

Ocean View Cottage
Pulgloss
Askillaun
Louisburgh
Co Mayo
F28 WN73

- The coordinates are 53.766814 -9.848438
- The eircode F28 WN73 will show you the exact location. If you use the app Waze this eircode will get you here, although phone signals can be patchy round this area.
- The house is marked on Google maps as Ocean View Cottage
- If you want to have a look at the journey on Google Streetview you can follow the drive out from Louisburgh. Streetview doesn't come quite as far as the house - just a bit further up the road.

1/ From Westport go straight through Louisburgh crossroads and downhill.

2/ After you go over the bridge take the first right towards Carrowmore Beach

3/ Go straight on, you will pass a right turn to Carrowmore beach but you carry on straight.

4/ As you go uphill the road splits right/left - take the left.

5/ Carry on straight along the road and take the next turn to the right at the fork.

6/ And then at the next junction you also take the uphill road to the right.

7/ Then a third time you take the road to the right uphill. This is quite steep to start with.

8/ Follow the road round the hill and down a bit and we are the last of the houses on the road apart from one much further uphill by itself.

Getting in

The key will be in a key safe at the back of the house unless we have made other arrangements with you. Our housekeeper Lynda can meet you in Louisburgh and show you the way to the house if you let us know beforehand that you would like this.

Please do read the welcome folder when you arrive - it has all the information you need including wifi password and where to find the cutlery drawer!

If you need any help contact me at oceanviewclewbay@gmail.com or call **Lynda** who is local on +353 (87) 991 2909
